# Directions

The clinic is extremely easy to find. The Keepmoat Stadium is located close to the M18 junction 3, behind the 'Lakeside Village' retail outlet and is well signposted throughout Doncaster.

When arriving at the stadium enter through car park 2. Follow the 'ring-road' around the outside of the turnstiles. Please park in a bay next to the floodlit 5-a-side football pitches. You will now see the sign for Anston Physio and The Fitness Village. Please go to the health club reception and take a seat.
